**Voice overs:**

- Were all provided by members of my immediate family (Husband - Paul, Sons - Aiden & Nicholas) and myself.

**Sound Effects:**

- All retrieved from a Creative Commons site called <http://www.videoblocks.com> titles include:
- 01052\_drill\_with\_hammers
- 02394\_short\_crowd\_foley\_loop
- Carhorn-5
- Honkingcarhorn
- shakeitBaby219 (background music)

**Video** taken from Google Earth, this was recorded as the initial plan was to use the drone however it was unavailable due to technical issues. I am not happy with the jerkiness of this part of my movie, however once importing the Google Earth part into iMovie on the iPad I was unable to increase the speed of the movie in an attempt to make this part smoother.
